y menotati te the second in the second side is the second text of the second second second second second second

#### Lutheran Elementary School

 is more successful than 96% of Elementary Schools in Slovakia

#### School for Life

 Working in pairs, spending a whole week on one project and studying many interesting themes like cooperation, communication, first aid and puberty!

#### Celebration of education

 Every year students present for parents what they have learnt during the school year. Usually connected with sleepover at <u>school</u>.

#### Bookworms

 Students and teachers create an interesting literature project, a literature and language competition in March, which is a month devoted to books.

#### Book reading during Bookworms project
