

MARTIN LUTHER HIGH SCHOOL

WORLD CULTURES PROGRAM

Welcome

FOCUSED ON YOUR FUTURE GOALS.

Martin Luther High School (ML) was founded in 1968 near the Great Lakes in Greendale, Wisconsin. We are a 9th-12th grade boarding and day school with 600+ students. 90% of the students are domestic, and 10% are international students. At ML, you will live in University-style suites in a new, premier dormitory located on a 26-acre campus. The campus is within walking distance of beautiful parks and 50+ restaurants and shops.

- 20-minute drive north to Milwaukee to experience city life or the Great Lakes
- 90-minute drive south to Chicago, the third-largest city in the U.S.
- 120-minute drive west to Wisconsin Dells, "the waterpark capital of the world."
- 5 hours from 9 of the 14 "Big 10" Universities

At Martin Luther High School, you can build a unique learning experience as fun as it is applicable to your future goals.

Our school is focused on providing exceptional experiences in **four pillars of focus**: Academics, Athletics, Arts, and Spiritual Life. Using these four pillars of education, our Martin Luther Spartans leave with a world of knowledge and meaningful connections bigger than our beautiful community.

ML offers 23 fine arts classes and clubs to showcase your talents, including five choirs, seven bands, drama, photography, and robotics. Troubadours is our top choir and has won many awards.

SPIRITUAL LIFE **Your purpose is greater than you realized.**

Our culture is rooted in Christian character and principles to empower students to be a strong force of good in the world. Students are encouraged to grow their spiritual life and serve others in the community.

MAKE YOUR MARK **STUDENT LIFE & CAMPUS**

Cultural excursions: Chicago trip, Devils Lake, seasonal activities (i.e., pumpkin picking, polar plunge), explore Milwaukee (museums, beaches, parks) on annual spring break trip.

Dorm: Students live in university-style suites with 3 bedrooms, 2 bathrooms, and a commons area. Usually, students live two to a bedroom and up to six in a suite. The large commons area on each floor has a kitchenette and is the go-to hang-out space for students to play games, study, and chat. The recreation room in the basement is used for ping pong and students who want to

have lively fun. Students have access to the school's athletic facilities and often participate in after-school activities due to the ease of walking to school.

Community: The school culture is like a family; safe, inviting, loving, fun, and supportive. Cultivating relationships and building community is very important. Students are encouraged to hang out with students from school and invite them to the dormitory. Our Dorm Parents are always present in the dorm and get to know each individual student very well.

"Since the first day when I entered the school everyone, from the teachers, staff, and students, were extremely welcoming and accepting. Teachers at ML are both professional but friendly. My experience so far has been so good that I'm thinking of staying for one more year." - Tita (Croatia)
